

Hustlaball, Berlin 2006. Wednesday 18th – Sunday 22nd October.

Welcome to the world of hustlers, hookers, pimps, streetwalkers, flesh peddlers, porn stars and the most brazen, scandalous and outrageous inhabitants of the underground sex scene. Fetish, porn, erotica and top class clobbering all come together at Hustlaball 2006.

The brainchild of Tom Weise and Jeffrey Davids of Rentboy.com, the Hustlaball began in New York at the legendary club Svelia's in 1998. Rentboy.com got together with the infamous Pork Boys for the second Hustlaball! In 1999, transforming New York's notorious leather bar The Lure into a space to showcase the underground world of "hookers, pimps, streetwalkers, flesh peddlers, porn stars, rock bands and other scandalous sorts." Since the first European Hustlaball in October 2003, each event has exceeded all expectations, becoming the official gay event of Venus, Europe's largest adult entertainment expo. Last year, Berlin's legendary

KitKat Club hosted the third European Hustlaball to rave reviews and a capacity turnout, featuring the crème de la crème of the planet's porn stars appearing and with the top pom stables putting their best ambassadors on show. This year, the venue stays the same but, believe it or not, the party is set to top even last year's sensational sex spectacular! Now with host hotels, shuttle coaches in between venues, VIP areas and a plethora of parties (pre and post) all over the city, Hustlaball 2006 looks set to be unsurpassed by any other European event, cementing Hustlaball as a global tour de force.
