

Vorsprung Durch Big Dicks

Hustlaball, Berlin 2006.

QXMEN gets all dressed up to get down and dirty at the third European Hustlaball: the official gay event of Venus, Europe's largest adult entertainment expo and home to the no-holds-barred party at Berlin's legendary Kitkat Club.

Hustlaball started out in New York's infamous club, Stella's in 1998. Hustlaball's founders, Tom Weise and Jeffrey Davids of Rentboy.com, got together with the notorious Pork Boys for the second Hustlaball in 1999, transforming New York's leather bar, The Lure, into a space to showcase the world of "hookers, pimps, streetwalkers, flesh peddlers, porn stars, rock bands and other scandalous sorts." This has become the tag line for a party that is now world renowned, with a US Hustlaball held in Las Vegas each year in addition to the European sex fest.

Kicking off on Wednesday the 18th October, the film festival ran over the weekend, taking place at the Venus expo. Thursday's Gay David Awards ran back-to-back with Mega Party at Berlin's top gay nightspot Haus B. Awards for best films, stars, directors, scenes and all the various categories were awarded to an assembly of the industry's most glittering luminaries. From tousled twinks to sneering masters, the wide spectrum of gay porn was fully represented. But the hot ticket that night was the Bruno Gmünder party hosted by porn mogul and outrageous drag queen Chi Chi LaRue – who even took a turn on the decks! Revelers hit Babylon Boy Tabledance Bar for the warm-up party.

Friday night arrived while most eager beavers were still talking up and shoehorning themselves into rubber or fastening buckles and lacing up boots. Nose to nipple and cock to cheek, the Kitkat Club was rammed, for some, uncomfortably so – especially those exhibitionists who vied for pride of place on the many podiums to show off their

assets. Up in the VIP area, those who paid for premium tickets enjoyed snacks and a chance to chat with the many performers before the show. Particular mention must go to the guys from Eurocreme who patiently and politely posed for pictures with their many admirers. Okay, so it is Germany and those German guys do have a reputation

for loving their leather, so predictably leather, rubber, harnesses and fetish wear was practically de rigueur. As this massive host venue filled up, the testosterone became tangible and soon impromptu mini shows were everywhere with blowjobs being exchanged and arses being fingered. And the show hadn't even begun!
 Hosted by drag diva extraordinaire Tatjana Taft – who was uber fierce! – the show was headlined by gay icon Marc Almond. Sound hiccups meant that, although he was received to rapturous applause, his performance did not go as smoothly as anticipated. Another special mention must go to performer Muhktar – not just a monster cock, but a lovely guy as well – and those guys
